

## 2 steps. Endless benefits. How smart is that?

### Step 1: Smart Foam™ Face Wash am & pm cleanse. balance. tone.

TO USE:

- Twice daily, apply a quarter-sized amount to face and neck using circular motions.
- Wait for oxygenating foam to lift dirt and other pollutants out of pores.
- To remove, rinse with lukewarm water and pat dry. For added toner effect, gently wipe off with a dry cloth (yes, water is optionall!).

#### SMARTTIP

- That's right. Unlike other cleansers, Smart Foam Face Wash doubles as your toner because we include non-alcoholic witch hazel in our sulfate-free cleanser. It leaves your skin balanced, hydrated, and prepped to absorb anti-aging ingredients.

### Step 2: Pure Radiance Day Moisturizer SPF 20 am Skin Perfecting Night Treatment pm moisturize. repair. brighten. protect.

TO USE:

- Gently smooth a dime-sized amount over face and neck.
- Use ring finger to pat a thin layer around the orbit of the eyes.

#### MULTITASKINGTIP

- Skin around the eyes lacks muscle support, so the area tends to form dark circles, puffiness, and that crepey look. Timeless Secret's Pure Radiance Day Moisturizer and Skin Perfecting Night Treatment were formulated to take care of your delicate eye area with anti-inflammatory ingredients to help improve skin firmness and maintain structure. They're also free of any harsh preservatives that might irritate eyes. Meet your new eye cream!

## Accelerate your beautiful results!

To see faster, more amazing results, enhance your skincare regimen with any of the products below.

### Instantly Brighten Polishing Mask

**exfoliate. brighten. renew.**

TO USE:

- 2 to 3 times each week, gently massage a thin layer onto damp skin. Avoid eye area.
- Gently massage off using lukewarm water. Rinse thoroughly and pat dry.
- Got an extra few minutes? Once a week, leave on as a mask for 3 to 5 minutes before rinsing for even more intense brightening.

#### SMARTTIP

- Use the Instantly Brighten Polishing Mask on a damp face for effective, mild exfoliation or, for more extreme exfoliation, gently massage on a dry face. Always avoid the eye area and rinse thoroughly.

### Save Face Water-Resistant Sun Shield SPF 30

**protect. prevent. hydrate.**

Give your skin a maximum amount of protection with this lightweight, water-resistant sunscreen that delivers SPF protection for up to 40 minutes after water activity. Its non-greasy formula is enriched with antioxidants, which help protect against future damage. Recommended for the face and areas of the body that need extra sun protection.

### Accelerating Booster™ Wrinkle Corrector

**instant results.**

TO USE:

- After moisturizing, apply a thin layer directly from the tube with the soft-touch tip to deeper expression lines around eyes, mouth, and forehead.
- Wait several minutes before applying makeup to allow the Invisa Skin® seal to dry completely.
- Gentle enough to use day and night—but use sparingly. A little goes a long way!

#### SMARTTIP

- Also apply your Accelerating Booster around the lip area to reduce lip lines, on dry patches of skin for extra-nourishing hydration, and even over eyebrows to keep brows in place all day!

### Pu-erh Tea

**beauty from the inside out.**

This exotic, antioxidant-packed tea is already included in your cleanser and moisturizers, so why not reap even more of its benefits by drinking it? Pu-erh Tea is a purifying drink that enhances your skin's health from the inside out.
